

# SASKATOON CO-OP FERTILIZER FACILITY

Saskatoon Co-op is proud to announce that for the first time, 2018 fertilizer purchases earned equity allocation of 0.5% for all fertilizer purchased. Stop by the facility on Hwy 12 across from Hepburn, or call site manager Larry Gabruch at **(306) 947-1000**, to discuss your needs and how we can help you be more successful in your farming operation!

## OUR NEW FERTILIZER PLANT

Saskatoon Co-op's state of the art fertilizer plant boasts a 2,200-tonne granular plant as well as 1800 Tonne capacity liquid blending facility. The Hepburn Fertilizer Plant has full blending capabilities and including a micro-tank that can store up to four different products to add into any blend. Products that will be available through the plant include these:

### DRY FERTILIZER

- Urea (46-0-0)
- Phosphorus (11-52-0-0)
- Potash (0-0-60)
- AMS (21-0-0-24)
- Sulphur (12-0-0-50)
- Micronutrients
- Super U
- Tiger 90
- ESN

### LIQUID FERTILIZER

- UAN (28-0-0)
- ATS (15-0-0-20) liquid sulphur
- Liquid phosphorus (10-34-0-0)
